The Comptroller was written to demi-officially as ordered, and his reply dated 26th August 1902 is as follows:-

(1) That there are no rules in the Account Code fixing the period within which such claims should be urged and settled except art. 5 Vol. I. (Copy put up) (2) That he does not anticipate any savings in his office Budget sufficient to meet the claim and the charge if sanctioned will have to be debited to the Major Head "Administration". Minor Head "Comptroller's Office". He also adds that it is too early to estimate what savings may be expected under the Major Head "Administration."

PROCEEDINGS OF THE GOVERNMENT OF MYSORE.

Order No. 10434/566 Dated Bangalore 24th December 1891.

Mr.H.Eagles, Chief Assistant to the Comptroller, is appoi ed Assistant Comptroller to the Government of Mysore. The necessary Notification will be inserted in the Gazette. His salary will be Rs.500/- per mensem.

The Comptroller,

R 1376

Bangalore,
9th April 1902.

Sir,

I beg I may be pardoned in venturing to submit for your Orders a question,---which though urged by me at its proper time, unfortunately for me, remains still undecided ----- . The matter I allude to is about my having been in charge of the Office of the Comptroller for 18 months from 19th September 1891.

2. When Mr. A.Rangaswami Iyengar was appointed Deputy Commissioner of Mysore Sub Protem, Government were pleased to place me in charge of the current duties of the Comptroller's Office and gave me an allowance of Rs. 100/- per mensem for such duties.

3. From the time Mr. Rangasami Iyenga

made over charge of the Office to me till Mr. Subbaroyer took charge of the same, the Offic of the Comptroller was actually vacant, no bo having been appointed to that Office ad inter

4. If the length of the period-a year and a half-during which I was at the head of the Office, is taken into consideration, it will be obvious that the duties I had to perform were not merely current and routine matt of the Office but ipso facto included every-thing that a defacto Comptroller in the exercise of his powers ought to do according to exigencies.

5. Under the above circumstances, I ap plied to Government in my D.O.letter dated 22n August 1892 to appoint me Comptroller Sub Protem(Copy enclosed for your kind perusal), but was not favored with any decision of Governmer on the matter, although I repeated my request more than once as the enclosed copies of corre

ll go to show.

I may here venture to state that th odal Rules permit of my being granted the mi- imum pay of the Comptroller, the vacancy bein sub protem one, and thus my request is not n any way either opposed to Codal Rules or un easonable.

I therefore beg to approach you in he hope that you will be pleased to again con ider the matter in the light of the facts abo et forth, and in consideration of the arduous ature of the duties devolving upon me during he period I held charge, grant my humble ---- equest.

I beg to remain,
